

### ***The AJ Novick Group's Online Parent Class***

Welcome to the world's most comprehensive, nationally accepted and completely online parenting class. If you need to take a parenting or co-parenting class, Online Parent Class is available 24 hours a day, 7 days a week from any Internet based computer! Whether you are a single parent, married couple, blended family, or going through a divorce, finding and attending a live parenting class can be time consuming and inconvenient. All participants receive an official "Certificate of Completion".

### **Online Parenting and Co-Parenting Courses**

These courses are ideal for court requirements, legal requirements, improving personal skills, and growing as a parent. Learning effective parenting skills will not only improve your relationships with your children and co-parent(s), but also reinforce appropriate behavior in others.

Our Online Parent Class uses a psycho-educational approach to better parenting developed by Dr. Ari Novick, Ph.D., LMFT. We are confident you will find this course to be high quality, exceptional and a great learning experience.

### ***Why OnlineParentClass.com?***

Often it is difficult to attend a quality parenting class due to a busy schedule and other life commitments. This online class allows you learn the same parenting tools as our in person classes but in a low-stress, convenient, affordable and self-paced environment. This course is ideal for court, legal, divorce, separation, mediation and personal growth concerns.
