Ari:

This email is to confirm that your Online Online (asynchronous) parenting education course is approved by the State Court Administrator. This approval allows you to provide parenting education to court-referred individuals for the period of January 1, 2024, through December 31, 2024.

The following criteria were used to determine the status of applications:

- Complete Provider Information Sheet, including all required attachments
- Verification that curriculum meets all required educational objectives
- Signed Statement of Compliance indicating compliance with all stated provider guidelines
- Letters of reference for new educators, if applicable

To keep the parenting education provider webpage as accurate as possible, please let this office know of any changes to your contact information, or if you decide to no longer provide parenting education classes.

Your continued efforts to provide parenting education are appreciated. A hard copy of this determination has been mailed to you.
